

# AMAL CHERIYAN

SOFTWARE ENGINEER

## Work Experience

### Web Administrator

(St. Thomas College of Engineering and Technology)

I have served as both a web developer and a programming lab instructor. Throughout my tenure, I developed and maintained the college website, ensuring a user-friendly interface and seamless functionality. I also implemented new features and optimized the website's performance.

(07/2022 - 04/2024)

### Jr. Software Programmer

(Soften Technologies)

During the course of my work, I was responsible for creating modules using front-end technologies, as well as completing projects utilizing the Python web framework Django.

(10/2021 - 03/2022)

## Educational Qualification

### • B.Tech (Computer Science & Engineering)

Vimal Jyothi Engineering College, Kannur

(Under APJ Abdul Kalam Technological University, Kerala) (2017-2021)

### • Higher Secondary (Computer Science)

GHSS Manathana, Kannur (2015-2017)

## Awards and Achievements

- Coordinator in outreach program "One day web design workshop" held at GHSS Sivapuram.
- Coordinator in "iTech Hackfest 2023 - A National Level Hackathon Regional Round" held at St. Thomas College of Engineering & Technology, Kannur.
- Staff Coordinator in "FIESTA 2K23- A National level Techfest" organized by St. Thomas College of Engineering & Technology, Kannur.
- Won Second prize for Web Designing competition in Techfest 2K18 held at VJEC.

## About Me

To dedicate myself to the organization's goals as an enthusiastic engineer, to utilize my skills and explore new technologies in order to develop my career, and to adapt myself to changing environments.

## Technical Skills

### • Web Development
